

Travelling instructions

Bus

Both bus 18 and Schiphollijn stop on the 'Pieter Calandlaan' bus stop. After exiting the bus you will see a shopping area across the street. Go the other way and turn into 'Pieter Calandlaan'. At the end of this street you will see the municipal centre on the corner.

Lines 19, 62, 63, 64, 95 and 195 all stop at Lelylaan Station. You will see the bus parking area after getting off the bus. Walk towards the canal alongside it. At the end of the parking area is a bridge. Cross the street at that point. You will be facing the municipal centre.

Train

Lelylaan Station is around the corner.

The station is one stop away from both Amsterdam Central Station, Schiphol Station and Station Sloterdijk.

Station Lelylaan is also only four metro stations away from Station Sloterdijk for trains from Haarlem, Utrecht and Amersfoort, for example.

Go downstairs to the station hall. On your left is the 'AH To Go' exit, on your right the 'normal' exit.

Once outside, walk alongside the canal and bus parking area. At the end of the canal, cross the bridge. You will be facing the municipal centre.

Car

Take exit S106 from the A10. Due to road and construction situations it is currently advised to consult your navigator or travel planner.

Walking from the municipal centre to our location

Stand facing the municipal centre. On your right is the corner to the Jacques Veltmanstraat.

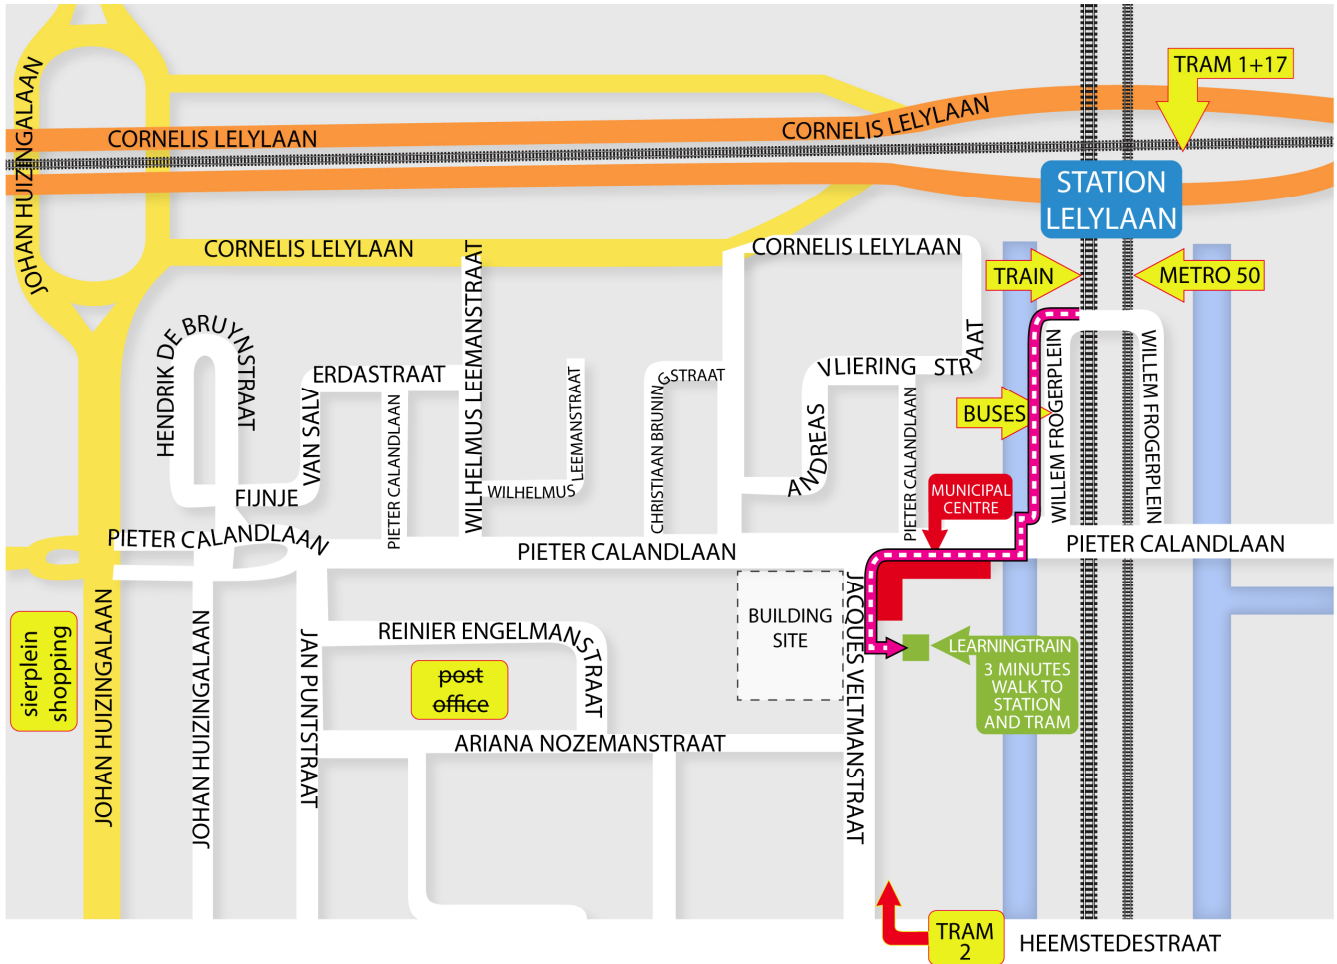

Go round the corner and walk alongside the municipal centre. You will first notice a road going towards water. Do not take this road.

Walk on: there is a flight of stairs next to this road. It's just a few steps leading to a black steel gate.

On the right of the gate is a metal panel. Fill out the code '107' and press the bell icon. The gate will open.

Attention: there are two identical building complexes after the other. You need the one immediately after the municipal center building.

Jacques Veltmanstraat with the **entrance** and stairs.

On the left the city council building, in between is the road towards water, on the right is our building.

The **stairs** go towards the gate.

Wheelchairs: take the **path** to the left of the stairs. The slight slope leads to the gate.
